Dear Mr. Bellavance:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

John Kendall
Council Vice President

SUBJECT: DON T. BELAVANCE

Dear Tim:

On June 13, we received a phone call from your office concerning the above named individual. It seems there were charges that the above named individual, while a youth member, had molested a cub scout several years ago.

We would like to know more about this matter and whether we should establish a file, which would refuse registration to Mr. Belavance where he might attempt it.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed if he should be placed on this file.

Thanks for your help.

Sincerely,

Paul Ernst, Director
